Harken witches
Everywhere,
Take the challenge—
If you dare—

Tomorrow night
'Tis Hallowe'en
When only one—
Shall be Witch-Queen.

Six ingredients
Thou must take—
and in the cauldron
Boil and bake—

Juice of toad,
Eye of newt,
Wing of bat and
Hemlock root,

Mouldy piece of
Splintered bone
Found from deep
In misty tomb,

Molten lava,
Cooled awhile,
Taken from the
Smoking Isle,

Then the spell
Shall be at hand
To rid the Pumpkin
From the land.

So load thy game—
without delay—
Shift/Run—Stop and
Then press Play:
